Vision: To save every healthy and behaviorally sound companion animal and to save all dogs and cats that are medically treatable and/or can be behaviorally rehabilitated.

Achieving this vision can only be possible with community support through responsible pet ownership and adoptions. The shelter is a collaborative effort between the county and participating cities of Round Rock, Cedar Park, Leander and Hutto.

Objectives in creating a regional animal shelter include increasing pet adoptions and lost pet reclaims; emphasizing humane care for lost, unwanted or displaced pets; assisting animal control public safety efforts by providing a safe haven for strays and a secure area for dangerous animals; and reducing the costs to each participating entity through a shared regional facility.

Participating Entities:
Williamson County, Round Rock,
Cedar Park, Leander and Hutto

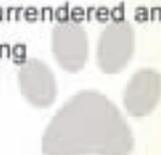

At the Williamson County Regional Animal Shelter, every effort will be made to place healthy, adoptable animals in new permanent, loving homes. Adoption fees are \$75 and include:

- 🐾 basic vaccines
- 🐾 spay/neuter surgeries
- 🐾 microchip
- 🐾 heartworm screening for dogs
- 🐾 FeLV testing for cats
