

VETERAN'S DAY CELEBRATION FOR OUR TROOPS

Since November 2007, Williamson County has participated in the Adopt-a-Unit program and has adopted the Combat Aviation Brigade based out of Fort Hood, Texas. Thankfully, all of our troops arrived home safely in July 2009 from their tours of duty, but we still want them to know that we are truly thankful for everything they have done and continue to do for our country.

Wouldn't it be great for each soldier to go home Veteran's Day with a dozen cookies and a *handwritten* note thanking them for their service? Williamson County would like to bake a dozen cookies for every soldier in our adopted brigade for Veteran's Day, but we need your help. We have a lot of soldiers to thank, so every dozen counts! Veteran's Day is November 11, so please let me know if you would like to help by October 15, 2009. Cookies will be collected at the Precinct 3 Commissioner's Office by November 9 and delivered on November 10.

Thank you,

Rachel Rull
